Scottish Open Volleyball Tournament 2012

Dear Volleyball Friends,

The year 2012 is a special year, not just because of the Olympic Games or the Queen's Diamond Jubilee, but because once again we have the opportunity of meeting up with our many friends who support us by competing in the Scottish Open Volleyball Tournament year after year.

Yes the Olympics will have the top athletes of the world competing for medals but even more importantly are the millions of non-Olympic athletes who compete in the true ethos of their sport – for fun and enjoyment as well as striving to win at their own level.

In this special year we have reduced our entry fees as a special thank you to our regular teams as well as encouraging newcomers to the tournament.

Our division of honour men's and women's teams compete in a purpose built top sporting environment with 5 indoor courts at Bell's Sports Centre, enjoying the challenge of competing against new faces as well as our regular stalwart teams.

Outdoors we have Perth's North Inch which has acres of grass to accommodate up to 40 outdoor courts, camping and car parking.

The Scottish Open is unique with its location, facilities and competition format making it the largest and most popular volleyball tournament in the United Kingdom year after year. As usual our mixed divisions make up half of the 100 plus teams that will converge for two days of meaningful competition with computerised fixtures arranged for both Saturday and Sunday.

Add to this our special entertainment package which includes the traditional Scottish Ceilidh dance on the Friday evening and a jubilee festival disco on Saturday evening. This makes for a complete weekend package with the ideal blend of competition during the day and the opportunity of sharing fun and a meal or snack along with a few drinks with your fellow competitors after the day's play.

We hope you will mark the dates in your diaries now and look forward to meeting Bill and his USA teams and hopefully Luc and Pascal with their teams from Belgium whom we have had the pleasure of meeting at their annual De Haan tournament in August, as well as our other regular sides from England, Scotland and Europe.

David Munro
Tournament Director
