#### **Fancy Dress Challenge!**

Once again, the "best dressed" team at this year's tournament will win free entry into next year's event. We have seen some fantastic outfits over the many years of the tournament! Will your team stand out this year?

#### **Tournament Shaping Up**

The organisation of this year's event is making good progress:

- There has been a steady stream of entries across the various divisions
- The trophies have been designed and crafted
- The plans for both the Ceilidh and Disco are in their final stages

So we look forward to welcoming you to Perth in May for the 2011 tournament.

From all at the SOVT Committee

#### **ONLINE ENTRY FORM**

The SOVT website now has the facility to enter your team into the tournament using an online entry form. Payment can then either be made via Paypal or, as previously, by cheque. It is also still possible to print or download the Entry Form, then complete it offline and post it to us at the address on the form along with your cheque.
